

				Size (Cm)	Bags per roll		Recommendations	Strength			Opacity		
 30 L		CF 55X55 NEGRO	56CF5574	55X55	60		Bin liner which satisfies the consumer's main quality drivers: tearresistance and drawtape.						
		CF 55X55 AZUL	56CA5574	55X55	60		Bin liner which satisfies the consumer's main quality drivers: tearresistance and drawtape, with a aesthetic plus: blue colour.						
 50 L		CF 70X75 BLANCO	63CL0415	70X75	30		The bin liner that can hold up to 50 litres of waste. For people for whom a regular bin liner is too small, but a larger bin bag seems excessive.						
 100/ 120 L		SACO 85X105 NEGRO	63CM0395	85X105	20		Standard sack which above all else provides a high level of tear-resistance.						
		SACO 85X110 NEGRO	61CH0308	85X110	20		Standard sack which above all else provides a high level of tear-resistance.						
		SACO 87X110 NARANJA	63CK0308	87X110	20		The best sack on the market. The ideal product for heavy duty purposes.						
 240 L		FUNDA 120X135 NEGRO	61CO0239	120X135	10		Special bin liners to prevent 240-litre communal rubbish bins from becoming dirty with unhygienic waste material.
