

## CONSUMER BAGS & SACKS

				Size (Cm)	Bags per roll		Recommendations	Strength	Opacity
	5 L		PARATODO	10PT0480	35X37	30	 Small drawtape bags for any purpose. Multifunctional: it can be useful in small pedal bins, in the car, as an auxiliary bag for the kitchen, for nappys, for dirty clothes, etc		
	10 L		ECO MINI	01MN0305	45X47	20	 Suitable for wastepaper bins, bathroom bins and multi-compartment bins for recycling. Bin liners for everyday needs, small amounts of waste.		
			LIMON MINI	04MN0349	45X47	20	 Specifically designed for wastepaper and bathroom bins. The White color and lemon scent gives a greater sense of hygiene.		
			MINI PLUS	11BE2326	45X47	15	 Small and strong bin liner for everyday waste		
	30 L		BASIC	11OK0480	55X55	30	 The most economical option for everyday domestic waste		
			ECO	01EC2380	55X60	15	 The most rational choice for disposing of your domestic waste.		
			PINO	01PI2387	55X60	15	 For people looking for a high performance bin liner without renouncing to have a good look.		
			LIMON	04PF2341	55X60	15	 The original bin liner. Its special design, white colour and lemon scented, brings a greater hygienic appeal to your kitchen.		
			EXTRA	07BG2341	56X62	15	 The best bin liner on the market. Featuring antibacterial protection and an odour neutralizer to avoid the spread of bacteria and fungi in your bin, as well as the '4 drawtape easy close' system. Lavender scented.		
				07BG0451	56X62	30			
			CUBO ALTO	10CA2377	50X75	15	 The bin liner for tall and narrow bins.		
	50 L		ECO MAXI	21EC0205	70X75	10	 Large bin liners for everyday use. For people for whom a regular bin liner is too small, but a larger bin bag seems excessive.		
			LIMON MAXI	24MG0205	70X75	10	 Super-strong large bin liner. For people for whom a regular bin liner is too small, but a larger bin bag seems excessive.		
	100/ 120 L		SACO BASIC	230K0271	82X105	10	 The best value option for disposing of, protecting and storing waste.		
			ECO SACO	29SG0251	82X110	10	 High-quality, multi-purpose refuse sack. With a choice of two closure systems: conventional and drawtape. The ideal product for any situation.		
				30RS0251	82X105	10			
			SACO MAKROSAC	22MK0215	87X110	10	 The best sack on the market. With a choice of two closure systems: conventional and drawtape (more resistant, more secure, more hygienic). The ideal product for heavy duty purposes.		
				27SG0215	87X105	10			
	240 L		FUNDA CONTENEDOR	39C20705	120X135	5	 Special bin liners to prevent 240 L wheelie bins from becoming dirty with unhygienic waste material.
